Cost of Living

The Australian government recommends you budget around \$1660 per month for living costs. This includes your food, transport, accommodation and other living expenses.

Students who have any school-aged dependants accompanying them will be required to pay full fees at a private or government school in their city of residence.

Paymen

All fees are in Australian Dollars. Langports reserves the right to change its fees at any time. All fees are inclusive of GST where applicable.

Payment can be made by Bank Draft or International Telegraphic Bank transfer. Bank account details will be provided on each invoice.

Credit cards can also be processed but incur a 3% surcharge on all transactions. Visa and MasterCard cards accepted.

Transfer between Langports English Language College Brisbane & Gold Coast and Langports Sydney

Langports English Language College and Langports Sydney encourages students to pre-book courses at multiple campuses and will offer a \$100 travel voucher to assist with travel costs between campuses (maximum of 2 vouchers for 3 campus bookings). The minimum study period at each campus is 4 weeks. Only one enrolment fee and accommodation placement fee will be charged. If a student cancels the second campus enrolment but extends their stay in the first campus for the same number of weeks, there is no cancellation fee. However, if a student cancels their second campus and leaves Langports early then the Cancellation and refund policy will apply.

If a student has commenced their course and wishes to transfer campuses, they must give 2 weeks' notice in order to transfer and study at least 4 weeks in the next school. However, students studying a closed course are unable to transfer campuses during the closed course. The following conditions will apply:

- Transfers can only be made if there is space in the new location
- Students must have an overall attendance rate of 80% or higher to be considered for a transfer
- Transfers can only be processed and confirmed if the student has no outstanding fees.
- For some transfers, fee differences between the campuses may apply for example, some additional charges if the new campus is a higher price or a refund could apply if the new campus has a lower price. If the student enrolled at Langports English Language College Brisbane or Gold Coast or Langports Sydney with a promotion that was only applicable at one campus, then they will need to pay the difference in fees between the promotional rate and the standard rate for that country for the remainder of their enrolment in the new campus. If the student has enrolled under last year's prices but now wants to transfer to another campus then the current year's prices (published or market price) will apply.
- Any accommodation placement fee will be 50% of the normal fee if there has been no extension of enrolment weeks – minimum 4 weeks.

- If a student completes the transfer paperwork and the transfer is processed, but then the student changes their mind and stays at the original campus a processing fee of \$100 will be charged.
- If a student undertakes a transfer but then wishes to return to the original campus without extending their enrolment then they will incur an admin charge of \$100 and an accommodation placement fee will apply if applicable. If the student is extending their enrolment to do this then the admin fee does not apply.
- There must be a minimum of a 4 week enrolment extension in each new campus in order to receive a \$100 travel voucher
